Season is going well for the most part. Some parents complained about the All-Star picks, Niv and Wayne will discuss this with the coaches next season to avoid any problems. Packanack Lake has been an issue this season; the Tri-Boro towns will meet to discuss the future of Packanack Lake continuing in the league. On June 26th from 9am to 6 pm an end of the season celebration will be held at Amity for the girls with many events planned.

BASEBALL:

John McGowan stated the season was wrapped up tonight. The season overall went well, we got more use of the Duva field this year. Training was very helpful this year.

Bill Underwood stated the clinics have helped the kids this season. On June 26th at Amity there will be a trophy day for tee ball and slow pitch baseball with the children playing 1 inning games. Bill will reach out to the parents to bring donuts, drinks and various items for the children. Bill stated that we need more practice time at the farm level.

At the Farm level the Yankee had the best record in town along with the A's on the Little League level. Pony league is still to be determined.

Jim Loverdi stated that the draft should be eliminated because some coaches do not know the children. Jim suggested holding an evaluation day for the coaches to watch and for someone to asses the players. They should be ranked and no coaches should pick the kids.
