

Baseball & Softball

Winter Clinics

Just because it's cold doesn't mean you should put away your glove. The LFAC is planning on a winter clinic for both baseball & softball at Pro Motions in Fairfield. We will be working with Pro Motion coaches as well as our own. Training will consist of Hitting, Fielding, Throwing and Catching.

Training will start in late February and will continue until the end of March. Sessions will be one hour per Group once a week for 6 weeks. We will have sessions for 3rd, 4th, 5th, 6th, 7th and 8th graders. Costs will be in the (\$115 to 130) dollar range depending on number of children involved.
